

**SWANTON FIRE
5 YEAR PLAN**

1 million Dollar

\$70,000

Benefits of this plan are the fleet goes down to five trucks .

This opens up a free bay for future station needs. **Gear room!**

Maintenance cost on a mini pumper are a **quarter** of what an engine is.

Miles per gal doubled/tripled.

Can perform **90%** of an Engines task.

Can perform **100%** of a Utility Trucks task.

Can pull the boats, hazmat trailer and the Argo.

A true multi purpose truck that handle any call.
