# The Public Works Team

**Thank you to Gary Bouchard for 47 year with the team**

Dean Ryan,  
Foreman

Nicholas Pfeil

Mike Boucher

Matt Depatie

Andre  
Fontaine

Gary Longe

48 Combined  
years of  
experience

# North River Street and Gallup Court Stormwater improvements

# Replaced Old Leaking Valves

- **Blake Street and Grand Avenue Intersection**
- **Canada Street**
- **Grand Avenue and Laroe Street**
- **Middle Road**
- **Merchants Row**

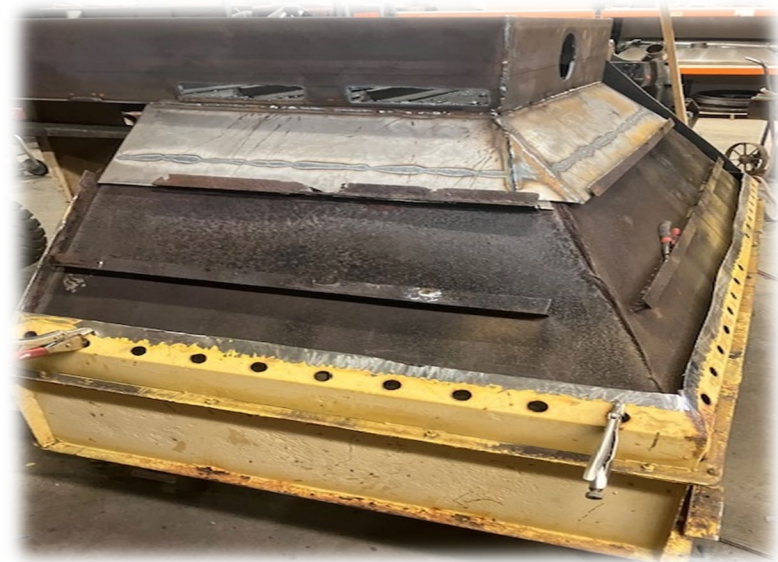

# Infrastructure Assessment

**Working with Aldrich and Elliot on an evaluation of the 50-year-old system's needs for budgeting purposes and grant applications**

# Hot Box Rebuild

# Replacement of Pine Street Sidewalk Between Canada St and First St

# Replaced Main Sewer Line due to Root Blockage

# B-6 Bridge Traffic Control

# Paving New St and Greenwich St

# **Stabilizing Stormwater Outlet** **on Riverbank at Winter's Court with Grant-in-Aid**

# **Highway Safety Improvement Grant**

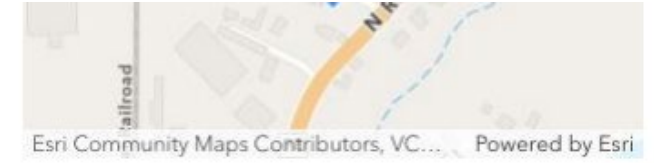

**Replaced signs,  
Street Painting  
for Crosswalks, Stop  
Bars, Slow Zone, etc.**

# Leak Detection Project

**Identified leak  
in the system  
on River Street**

Elevated noise detected on curb stop. Noise dissipates when valve isolated. Correlation places anomaly approximately 50 feet from home on service line in yard.

# Upcoming Projects

- **Valve Replacements**
- **Sewer & Stormwater Repairs**
- **Stormwater Drain Cleaning**
- **Dry Hydrant Flushing, Flow Testing and Winterizing**
